No, they were inadvertently omitted. But the base document is familiar. It is a spreadsheet used by Dr. Lanier for his analysis and disclosed to you back in March as part of the backup materials for his first report. The other document is just a summary chart showing the registrations for Latinos and Non Latinos since Prop 200 was implemented. The summary chart shows the information in the spreadsheet.

We are not withdrawing the exhibits but will not argue that you can't raise the issue with the Court, even if the motion in limine deadline has passed.

Nina,

We object to the addition of additional Exhibits at this late hour, especially considering our Motions in Limine were due today. Please withdraw these late exhibits immediately.

Thanks!  
Katie
