IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF ARIZONA

Maria M. Gonzalez, et al.,

Plaintiffs,

vs.

State of Arizona, et al.,

Defendants.

No. CV 06-1268-PHX-ROS

ORDER

Federal Rule of Civil Procedure 65(a)(2) provides: "Even when consolidation is not ordered, evidence that is received on the [preliminary injunction] motion and that would be admissible at trial becomes part of the trial record and need not be repeated at trial." Because the preliminary injunction hearing was held almost two year ago though,

IT IS ORDERED that the parties shall seek to introduce all evidence upon which they rely in making their case on the merits regardless of whether it was introduced at the preliminary injunction hearing. The Court will decide at the time if the evidence is admissible.

DATED this 3rd day of July, 2008.

Roslyn O. Silver
United States District Judge
