Karen,

Although I couldn't see a couple of these documents (the link brought up a web-error or just the home page), I don't think we have objections to any of these exhibits. We can't view the notary manual excerpt and (I believe) the first web-link, but we can look those over tomorrow when we receive the exhibit set. I don't expect we will have objections on those. And, as above, we don't object to the others.

Thanks,
Barbara
