Navajo County Primary Election September 12, 2006

Provisional Ballot for No Identification / Insufficient Identification

"If the elector does not provide identification as required by ARS § 16-579(A), the elector shall be issued a provisional ballot. The provisional ballot envelope shall indicate that the elector did not provide identification. The poll worker shall notify the elector that he or she must provide identification as required by ARS § 16-579(A) to the county recorder or to an official deemed acceptable by the county recorder. The poll worker shall provide the elector with instruction on how and where the elector can provide proof of identification. The proof of identification must be received by the county recorder's office by 5:00pm on the fifth business day after a general election that includes an election for a federal office or 5:00pm on the third business day after any other elections for the provisional ballot to be processed and counted."
