**Attachments:** Prov & Cond stats - 9-12-06.xls

Attached is the tally of provisional and conditional votes cast at the September 12, 2006 primary in Coconino County. The total votes cast are in a report generated by a separate software program in a 680 page PDF file. I will try to have the first six pages sent to you separately because they show the totals for each precinct rather than for each individual candidate and issue race. Sara, I am drafting an affidavit and will get it to you in a bit.
