A Preliminary Script Outline having been filed by Plaintiffs, and for good cause shown,

IT IS HEREBY ORDERED that:

The Court approves the form and content of the Preliminary Script Outline. The portion of the Script addressing privacy and confidentiality issues, as well as that portion allowing a contacted person an opportunity to terminate the survey or outreach effort at the outset of such contact, shall be used in Plaintiffs' efforts to contact individuals affected by Proposition 200, and shall not be materially modified by any retained expert conducting outreach or by any other party. However, any experts or consultants retained by Plaintiffs to conduct any outreach effort may modify the remainder of the Script.

Nothing in this order is intended to limit the communications between counsel for Plaintiffs and persons whose registrations were rejected or who were provided conditional provisional ballots.
