EXHIBIT 3

AFFIDAVIT OF STEPHANIE PAZDRO

STATE OF MICHIGAN)
)ss.
COUNTY OF MACOMB)

Stephanie Pazdro, being first duly sworn, states as follows:

1. I have personal knowledge of the facts stated herein and, if called as a witness, can competently testify thereto.

2. I am the Political Director for the Macomb County Republican Party, a position I have held since April 2007. In that capacity, I manage the office operations on a day-to-day basis, engage in and coordinate community outreach activities, plan and execute events and organize county conventions.

3. Neither the Macomb County Republican Party nor anyone acting with its knowledge or approval has ever obtained lists of persons or addresses subject to foreclosure notices or proceedings and there has never been at any time any plan by the Macomb County Republican Party to obtain such lists or use such lists for any purpose.

4. The Macomb County Republican Party does not engage in poll challenging. All poll challenging for Michigan is done at the state party level and the Macomb County Republican Party is not privy to the strategies or discussions in that regard except as is otherwise available to the general public on the state party's website.

5. I have never been told by anyone affiliated with the Republican Party, at any level, that poll challenges will be made at the November (or any other) election based on notice of foreclosure lists. In fact, the first time I ever heard of such a concept was when I read the fabricated story published by the Michigan Messenger on September 10, 2008 on its web blog.

6. In my capacity as Political Director for Macomb County, I have never approved, endorsed or authorized any activities concerning a foreclosure notice list and I have no intention of doing so, nor could I given we do not engage in any poll challenging activities.

7. I have never had any conversation or other communication with Chairman Carabelli in which he indicated any intention to use foreclosure lists or that he had knowledge of any person affiliated with the Republican Party to use such lists for any purpose.

8. Further Affiant sayeth not.
