DECLARATION

Pursuant to 28 U.S.C. § 1746, I, Nicholas Fisher, hereby declare as follows:

1. My name is Nicholas Fisher, I am 52 years of age, and I have personal knowledge of the facts stated below. I give this declaration in support of the Plaintiffs' motion for a preliminary injunction in the above-captioned case, and for any other reason authorized by law.
2. I am a citizen of Arizona and of the United States. I am a resident of Phoenix, Arizona, which is located in Maricopa County, where I have lived since February 2005.
3. I am not currently registered to vote in my Arizona county of residence. I would like to register to vote because I moved to Arizona from another state, and have not yet registered to vote in Arizona.
4. I meet the qualifications to register because I am a United States citizen, I am a resident of Arizona, I will be age 18 or over on November 7, 2006, I have not been convicted of a felony, and I have not been found mentally incompetent by a court.
5. Although I am a United States citizen, I do not possess any of the following documents showing my citizenship status: an Arizona driver license or non-operating identification issued after October 1, 1996; a copy of my birth certificate showing my current name, or a copy of my birth certificate showing a previous name as well as additional documentation that proves my identity; a U.S. passport; U.S. naturalization documents or the number of a

certificate of naturalization issued to me; a BIA Card Number, Tribal Treaty Card Number, Tribal Enrollment Number, Tribal Certificate of Indian Blood or Tribal or BIA Affidavit of Birth; or a driver license or non-operating identification from another state that indicates that I have provided satisfactory proof of United States citizenship.

6. I do not possess any of the following documents showing my name, a photograph, and my current address: a valid, unexpired Arizona driver's license; a valid, unexpired Arizona non-operating license; Tribal identification; other valid, unexpired government-issued identification.
7. I do not possess two of the following documents showing my name and my current address: a utility bill for electric, gas, water, solid waste, sewer, telephone, cellular phone or cable television; a bank or credit union statement; a valid, unexpired Arizona vehicle registration; an Indian census card; a property tax statement of my residence; a tribal enrollment card or other form of tribal identification; a vehicle insurance card; a recorder's certificate; or valid, unexpired federal, state or local government-issued identification, including a voter registration card issued by the county recorder.
8. I prefer to vote in my precinct and cast my ballot in person.
9. There are other circumstances that make my obtaining documents showing my citizenship status and documents showing my name and current address burdensome, impractical and unnecessary, in particular: (a) I do not drive a motor vehicle; (b) I do not need documents showing my citizenship for any practical purpose in my day-to-day life; (c) I live in a halfway house and have

no utility bills in my name; (d) I have no ability to access public transportation to government agencies which issue ID; (e) if there are fees associated with obtaining documents showing my citizenship status and documents showing my name and current address, I do not have the economic means to pay them because of my limited income.

10. As a consequence of these certain circumstances, I believe that "The Arizona Taxpayer and Citizen Protection Act" unduly burdens my right to participate in local, state and/or federal elections.
11. I object to having to incur a financial burden, directly or indirectly, in order to exercise my right to vote.
12. I intend to vote in the next scheduled elections. I am concerned that I will not be permitted to register because I do not have and cannot obtain without burden documents showing my citizenship status. I am also concerned that even if I am able to register, I will not be permitted to vote in person at my precinct because I do not have the required documents showing my current address. Therefore, I respectfully ask the Court to prevent election officials from denying me and other Arizona citizens the right to vote based on the inability to provide certain documentation.

I declare under penalty of perjury that the foregoing is true and correct.

How do I change my address?

- ServiceArizona's EZ Duplicate process allows customers to change both their residential address and mailing address on their Driver License or Identification Card.
- Motor Vehicle Division (MVD) has developed a computer system that links all of your records together on each vehicle on which you are listed as the registration recipient.
- Registration recipient is defined as the vehicle owner or registrant who is designated on the MVD database to receive the registration for a vehicle.
- Only provide a mailing address if you want mail sent to an address that is different from your residential address. The residential address cannot be a P.O. Box or Route.

After I change my address, is it required by law to obtain an updated license/ID?

No. Per statute 28-448, a person must notify the Motor Vehicle Division within 10 days of an address change. The statute does not require an individual to obtain an updated or duplicate license/ID with a change of address.

Yes, you can change your Class G Driver License to a Class D once you have reached 18 years of age through ServiceArizona.

You cannot change your name through ServiceArizona. This type of transaction requires you to go to the nearest MVD Office or Authorized Third Party Agent. Additional documentation is required for this type of transaction.

What address can I have listed on my Driver License or Identification Card?

ServiceArizona's EZ Duplicate allows customers to select either their residential address or their mailing address to display when requesting a duplicate Driver License or Identification Card.

Note: The address displayed on your Driver License or Identification Card is the address that will be used for mailing.
